

Read, Write, Count aims to improve the literacy and numeracy skills of Scotland's children by providing advice and support for the families of children in Primary 1, 2 and 3. It is a key driver of the Scottish Government's commitment to raise attainment for all and close the attainment gap through the driver of family learning.

The [Information for Schools](#) document provides an overview of the resources which will be delivered to P1 - P3 children during the course of this session. The Read, Write, Count materials for Primary 2 and Primary 3 children have been created to support schools in developing family engagement.

## Primary 2 Bag

- Two picture books
- Snakes and Ladders board game with Maths Maze on reverse
- Finger puppets
- Notebook and writing pencil

- Tropical Triumph card game with Dominoes on reverse
- Storytelling cubes
- Notebook and writing pencil
- Guide for parents

READ  
WRITE  
COUNT

As part of the Read, Write, Count campaign P2 and P3 children across Scotland will receive a book bag (similar to that of the P1 Bookbug Pack) this Autumn. The packs will arrive in schools in October/ November.

The Scottish Book Trust have created a number of useful resources and documents on their website to support the gifting of the texts as well as using the texts within learning contexts.

[CLICK HERE – P3 Teacher Resource Pack](#)

It is recommended that these are gifted to children and their families during [Book Week Scotland](#), **Monday 27<sup>th</sup> November – Sunday 3<sup>rd</sup> December 2017**. The [Family Presentation](#) and the letters for [P2](#) and [P3](#) can be used in the lead up to and during the gifting process.

Schools are encouraged to make links with the [Highland Library Service](#) to support the gifting of the Read, Write, Count packs.
